

## Rhumb Runner COVID-19 Guidelines for Racing

It is the Rhumb Runner Advisory Board's goal to keep all members safe and healthy during the racing season. These guidelines are based on CDC recommendations.

1. By now we all know what the symptoms are. If you have two or more please stay home.
2. Temperatures will be taken upon arriving at the club.
3. There will be no skippers or post race meetings. All information will be found on the whiteboard. Maintain social distancing if there are questions. If necessary call or text the Race Chair or Captain.
4. Sanitizer and wipes will be available but have your own.
5. When social distancing is not possible, Masks or Buffs are to be worn while launching, retrieving and racing Capris.
6. When social distancing is not possible, Masks or Buffs are to be worn during rigging and launching Sunfish or Prams.
7. Race Committee are to exercise all cautions listed above.
8. The wiping down of club owned boats is optional.
9. Lunch and snacks are on your own.
